Slimness has its own perks...isn't that true? Presenting Silon **SLIM/SMART** Digital Vitrified Tiles collection where slimness adds whole new perspective of elegance and style to your décor and absolutely transforms the ambiance. When the world is going ga ga over size zero, let your space also enjoy the advantages that Silon Slim/Smart Digital Vitrified Collection brings. Made with advanced technology, its innovative thin sizes make 'thinking out of the box' literally possible and add better and more colourful shades to your creativity.

Sizes that suit your dream:

Add versatility in your ideas with a range of sizes that give you free hand in creativity with quick installation and lesser joints. Pick a one that perfectly fits in to your imagination and let it fly.

So thin and light...for an idea beautiful and bright:

With its revolutionary thickness and lightweight design, Slim/Smart collection enables for easy cutting and hassle-free installation. As there are varied size options available, you can also explore multiple application routes with the collection.

Non-Porous Surface:

With less pores, it assures lesser moisture and water absorption making it an all weather and season ideal choice for any application.
